As such, the acceptance of this requirement for the 8(a) BD Program will have no adverse impact on an individual small business, a group of small businesses located in a specific geographical location, or other small business programs. This NAICS Code should not be changed without prior coordination with this office. The assigned SBA Requirement Number is **0491/16/603341**. Under the terms and conditions of the Partnership Agreement, you are to execute and distribute one copy of the contract, including task orders, modifications, and purchase orders to our office within 15 business days of the award. The SBA must be consulted prior to any changes that affect the scope of the contract.

In addition, U.S. General Service Administration shall retain the responsibility for compliance with the limitations on subcontracting requirements and all applicable provisions of FAR Section 52.219-14. Upon detecting any violations of the Ostensible Subcontracting rule, procuring agencies should immediately notify the SBA's Headquarters office via an email to: [8\(a\)Program@sba.gov](mailto:8(a)Program@sba.gov).
